FROM THE RECTOR

By The Rev. Lex Breckinridge

Dear St. Thomas Family:

Do not be conformed to this world, but be transformed by the renewing of your minds, so that you may discern what is the will of God—what is good and acceptable and perfect.
Romans 12:2

After eight years of ministry together, the time has come for me to take a sabbatical. God willing, I intend to continue as rector of St. Thomas until my retirement, which is still quite a few years off. My work here at St. Thomas brings me so much joy and satisfaction, and I believe a period of renewal and refreshment will reinvigorate my ministry and energize the way forward.

With the support of the vestry, I have applied for and been awarded a grant by the Eli Lilly Foundation's Clergy Support Program to fund my sabbatical plans. The program "allows congregations to support their pastors with the gift of extended time away from ministerial duties and responsibilities for reflection and renewal. Pastors use the respite ... to engage in renewal experiences that often include travel, scholarly research and immersive experiences with different cultures and traditions."

In the spirit of the Lilly program, Zonnie and I will embark on our sabbatical journey mid-April. We will spend part of the time hiking the Amalfi Coast in Italy and travelling through Umbria. We will then head to Portugal, where we will walk the ancient Camino de Santiago de Compostela pilgrimage route. We will walk along the Atlantic Coast of Portugal to Santiago de Compostela in Spain, spending time afterwards in the Spanish countryside. We will then enjoy the month of July in a cottage on the Sunshine Coast of British Columbia. Our sabbatical will conclude with our children and grandchildren joining us in Leavenworth for hiking, tubing, and general tomfoolery. We will return home on August 15.

During my time away, St. Thomas will be served by Fr. Steve Best and our very capable staff and lay leadership. I am also pleased to report that The Rev. Canon Joan Anthony, former Canon to the Ordinary of the Diocese of Olympia, will serve as our Interim Senior Priest Associate. Many of you already know Joan, a highly experienced priest, wonderful preacher, loving pastor, and good friend. Joan is eager to join the St. Thomas community in this role, and I will send more information about her in another note.

Since I joined St. Thomas in 2009, we have accomplished a great deal together. Our achievements include the adoption and implementation of a forward-looking strategic plan, two successful capital stewardship campaigns, growing staff to

support the work we are called to do, thriving programs for children and youth, a superb music program, and continuing and deepening connections to those on the Eastside experiencing homelessness. And there is much more ahead that we can and will do.

As Paul observed to the Church in Rome, renewal of mind, body, and spirit leads to transformation. I am eager to embrace such change not only for Zonnie and me but also for our entire community. The rector's absence can and should be a time of renewal for the whole parish. How will we be transformed as we live into the next chapter here? What does the Holy Spirit have to teach us during these months? Plenty, I am quite sure, and I will say more about this in the weeks to come. For now, suffice it to say that a tremendous opportunity lies before us, for every member of this blessed community.

Faithfully,

ALL THINGS BRIGHT & BEAUTIFUL CAPITAL CAMPAIGN

UPDATE & SCOPE PREVIEW MEETING

SUNDAY, FEBRUARY 18

The Vestry, along with the Capital Campaign Steering Committee, St. Thomas Legacy Foundation, and the Finance and Facilities Committees, have been hard at work discerning the final scope of the capital repairs and improvements, outreach tithe and endowment funding. In addition, these groups have worked to develop a process to gather parishioner input to guide the final design for the repairs and improvements.

On **Sunday, February 18** following the 10:30 am service, you are invited to grab a cup of coffee and come back to the church to hear a preview of the project scope and design review process. Please plan to be part of this important next step as we prepare to make *"All Things Bright & Beautiful."*

WELCOME OUR ASSOCIATE INTERIM PRIEST

THE REV. CANON JOAN ANTHONY

We are continuing our nationwide search to fill the Senior Associate Priest position. This position is a most desirable one, and we are being highly selective! While we await the call of just the right person, and as I prepare to go on sabbatical, we need clergy support. So I'm pleased to advise that The Rev. Canon Joan Anthony, former Canon to the Ordinary of the Diocese of Olympia (i.e., the Bishop's right hand staff person) who has most recently served as Interim Priest -in-Charge at Grace, Bainbridge Island, will be joining us in April as Interim Associate while I am on sabbatical. Joan is a wonderful preacher, a skilled pastor, an experienced administrator, and a valued colleague and friend.

Here's Joan's Introductory Hello to us:

.....

To the People of St. Thomas,
I am looking forward to being with you all beginning in April 2018 while your Rector Lex Breckinridge is on a well-deserved sabbatical. Let me tell you a bit about myself.

I was raised in the Episcopal Church, baptized and confirmed at St. Alban, Edmonds, and a worshiper at St. Timothy, (now Holy Cross), St. Luke Sequim and St. John Kirkland. While at St. John I served on the Vestry, was both Junior and Senior Warden and the Treasurer of the newly established Moss Bay Preschool. I also taught 3rd grade Christian Education which was an adventure.

When I finished college, (Washington State University) I entered the management training program of what was then Peoples National Bank. Over the next 16 years I was in the Audit division, an Operations officer, Assistant Manager and finally Commercial Lending Officer with the Business Banking Division. I also spent 2 years as a part time accountant with a public relations firm in Bellevue. During that time I attended Seattle University where I eventually earned a Masters Degree in Pastoral Ministry.

While at Seattle University, I entered the discernment process for ordination to the priesthood in the Diocese. When that process affirmed my call to ordained ministry, I went to Seabury Western Theological Seminary in Evanston Ill., earning a Masters in Divinity.

On returning to the Diocese, I served as the assistant priest at St. John's Olympia, as an associate at St. Francis-in-the-Valley, Green Valley, Arizona and then returning to Lacey as the Vicar of St. Benedict. I then moved to the Diocesan offices, first as the Canon for Congregational Ministry in charge of Total Common Ministry programs and then as Canon to the Ordinary when Bishop Rickel came to Seattle.

In 2003 I married the Rev. Robert Bethea, who was a retired priest. We lived aboard a 42' Hans Christian sailboat at the Winslow Wharf. Bob had Parkinson's disease and when the sailboat was no longer an option we

moved to Port Ludlow and took up golf and fly fishing. I'm not very good at either of these but do enjoy both sports.

I retired as Canon to the Ordinary in 2014 to be able to spend time with Bob. We continued to fish in Montana and had a driving trip to Florida and many points in between. Bob died in 2015 and in 2016 I came back to full time employment as the priest in charge at Grace Bainbridge. That assignment is about to end and I am going to re-retire as of March 1. I am planning two trips, the first to California hiking in Death Valley. It will be the first long trip in my newly purchased travel trailer. When I return in March I am going to go on a cruise through the Panama Canal.

I have a ten year old Jack Russell terrier, Dolly, who is looking forward to meeting you all as well. She needs lots of exercise which is a good thing for me. While I am at St. Thomas, I am going to move the travel trailer to my brother's home and eliminate the commute from Port Ludlow. It will give me time to do some hiking and playing in the Seattle area.

Coming to St. Thomas is an opportunity to do the priestly things I love to do. I'm looking forward to celebrating, preaching, teaching and engaging with folks. I've already met your wonderful staff and am excited to be a part of the team for awhile. I am grateful for the opportunity to be with you all and get better acquainted. See you in April.

ST. THOMAS HIGHLIGHTS

LOTS OF FUN AT THE MIDDLE SCHOOL RETREAT By Sunni Bannon

In January, sixteen middle school students and three adult mentors from St. Thomas Church joined youth and mentors from seven local Episcopal churches for the 2018 Middle School Retreat at Miracle Ranch in Port Orchard. The weekend was filled with singing, playing games, dancing and good food as well as discussions about the difference between having a good life and living a good life. A highlight of the weekend was the chance for each attendee to participate in an adventure activity: rope swing, paintball or horseback riding. St. Thomas is fortunate to have a great group of middle school students involved in our church and youth programs. It was lots of fun for so many of us to spend time together at the retreat. If you will be in Middle School next year you should definitely plan on attending the 2019 retreat! Huge thanks to Fred McConkey and Eric Schwager who attended the weekend as youth mentors and to Margaret Chorlton and Anne Bentley who helped with driving.

WOMEN'S RETREAT

By Mary Waldmann

*spiritual growth, good times, friendships,
lasting peace, and joy...*

On the weekend of Jan 19th-21st, sixteen women of St. Thomas traveled to the St. Andrew's Retreat house on Hood Canal. We came in search of enlightenment, wisdom, grace and sisterhood, as well as—of course—fun. We found all in abundance.

As we arrived at the beautiful timbered lodge, we were greeted with coffee, tea and fresh cookies. Our beds were spread with cozy, hand-made quilts and homey touches abounded throughout the St. Andrew's space. Nestled among the trees, we looked out upon the sight of beautiful mountains rising above Hood Canal.

After dinner, the first of six amazing meals, Mother Elizabeth Appling led us on the first of our explorations of the feminine divine, the special blessings femininity brings on our spiritual journeys, as well as the role of women in scripture and the early church.

Weaving together scripture, psychology, anthropology and language, she shared her wisdom and knowledge as she led us through learning, discussion, personal and group discovery.

Saturday, we continued our journey of learning and faith, with more presentations, discussions in small and large groups, plus plenty of quiet time for walks, reading, meditation and art. We also joined together in fun times at the conclusion of our evening programs, enjoying wine and single malts and sharing of our personal stories in front of the fireplace or around Saturday's outdoor fire. Throughout the weekend our friendships grew and we each found new ways of thinking about ourselves and our individual faith journeys.

The weekend culminated in our Sunday morning Eucharist. We decorated our sacred space, chose readings and

music, wrote the Collect and the prayers of the faithful, as well as our creed. Mother Elizabeth and Deaconess Karen Eaton offered guidance as we crafted a service with deep personal meaning for us. The liturgy was at once a summary of our weekend experience and a moving celebration of God's love for us and our love for each other.

After fellowship over one last meal, we said our good-byes and received one final blessing: the sun broke through the clouds and a beautiful and vivid rainbow appeared against the mountains. We could feel our Mother-Father God smiling on us and guiding us on our way. It was a weekend filled with spiritual growth, good times, new-found and strengthened friendships, and a lasting peace and joy we carried home with us. Our feelings can be summed up in "Thanks be to God!"
